3GPP Document Version Numbering System

I have studied the system from here: <http://www.3gpp.org/specifications/specification-numbering/81-version-numbering-scheme>. I have understood it well.

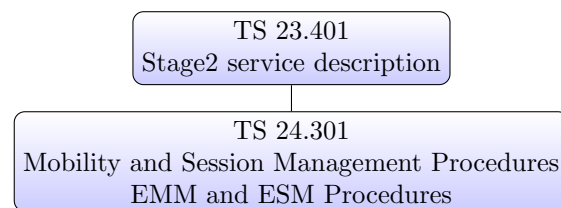

3GPP Documents Tree

I have started to study LTE and 5G network from the 3GPP specification documents. I plan to prepare a document tree.

TS 23.401

It is a

3GPP document tree
