

Name:
Identity number:
Student number:

Md Mohsin Ali Khan
221284-187K
336790

Right to study towards the degree granted on:

27 April 2012

Degree awarded:

Master of Science (Technology)
Degree Programme in Computer Science
and Engineering
Foundations of Advanced Computing

Major:

This transcript of records is an appendix to the degree certificate issued on 31 August 2015 for the above mentioned degree.

The graduate has completed the Master's Programme in Foundations of Advanced Computing included in the Degree Programme in Computer Science and Engineering.

SUMMARY OF DEGREE

	Credits, cr	Grade
Studies in major		
Foundations of Advanced Computing	40.00	4
Intermediate Module in Foundations of Advanced Computing	20.00	
Advanced Module in Theoretical Computer Science	20.00	
Special Module in Foundations of Advanced Computing	20.00	5
Methodological principles	10.00	4
Elective studies	21.00	4
Master's thesis	30.00	4
Statistical Model of the Statistical Saturation Attack		

Total credits:

121.00

Weighted average grade:

4.05

The degree was completed with distinction.
